

FogChain Lists Its Shares on the International Frankfurt Exchange

Monday, September 24, 2018 12:33 PM EST

Vancouver, Canada and San Carlos, California ([FSCwire](#)) - **FogChain Corp.** (OTCQB:FOGCF; CSE:FOG; FWB:MUU3) ("FogChain" or the "Company") is pleased to announce the recent listing of its common shares on Frankfurt Exchange.

FogChain, a next-generation fully integrated software development, testing and deployment platform, provides developers with a suite of rapid development tools and resources for the creation of apps, smart contracts, mobile apps and decentralized apps (dApps). In addition, FogChain's recent acquisition, Quilmont Solutions, specializes in automated testing, Continuous Integration and Deployment (CI/CD), mobile and website development, and software quality assurance.

The Frankfurt Exchange ("FWB"), known locally in Germany as "Borse Frankfurt," is one of the leading stock exchanges in Europe, and comprises both of a cash market with a trading floor, similar to the New York Stock Exchange, as well as includes a fully electronic trading system known as Xetra – which ranks among the largest trading marketplaces worldwide. FogChain's common shares are listed on FWB and trade under the symbol "MUU3."

FogChain's CEO, James Cerna commented, "FogChain is an international company and the solutions we provide and clients we serve are global in scale. We felt that in order to address and better work with our partners and shareholders on an international basis that listing our shares on the Frankfurt Exchange would be an excellent move to make. As one of the leading exchanges in the world, this provides our European investors and shareholders an easy trading venue for FogChain common shares, and we believe it will also help to significantly improve our presence abroad and the overall liquidity of the Company's stock."

In addition to the Frankfurt listing, the company is proud to announce the appointment of a new director, Zachary Dymala-Dolesky, to the formal board.

About FogChain Corp.

FogChain (OTCQB: FOGCF; CSE: FOG) is a fully integrated, end-to-end software development life cycle (SDLC) and quality assurance solutions provider. Combined with a decentralized Fog (edge network) and high-performance application development platform, FogChain's suite of services and technology provides application development at scale with greater speed, efficiency and at a lower cost. With the recent explosive demand for more edge computing and security within the Micro-Service, IoT, mobile data and driverless vehicle space, FogChain's *Build-Once Deploy-Everywhere* software architecture provides developers with a suite of tools and resources that bridges devices, operating systems, and the ability to build and launch exciting new applications in a unified environment. Led by a team of Cloud and SaaS veterans, FogChain is uniquely positioned to be a leader in the next super wave of the \$500 billion software development market. Learn more at www.FogChainInc.com

FORWARD LOOKING STATEMENTS

This news release contains "forward-looking information" and "forward-looking statements" (collectively, "forward-looking statements") within the meaning of the applicable Canadian securities legislation. All statements, other than statements of historical fact, are forward-looking statements and are based on expectations, estimates and projections as at the date of this news release. Any statement that involves discussions with respect to predictions, expectations, beliefs, plans, projections, objectives, assumptions, future events or performance (often but not always using phrases such as "expects", or "does not expect", "is expected", "anticipates" or "does not anticipate", "plans", "budget", "scheduled", "forecasts", "estimates", "believes" or "intends" or variations of such words and phrases or stating that certain actions, events or results "may" or "could", "would", "might" or "will" be taken to occur or be achieved) are not statements of historical fact and may be forward-looking statements. In this news release, forward-looking statements relate, among other things, to: the terms and conditions of the Transaction; use of funds; and the business and operations of the Company. Forward-looking statements are necessarily based upon a number of estimates and assumptions that, while considered reasonable, are subject to known and unknown risks, uncertainties, and other factors which may cause the actual results and future events to differ materially from those expressed or implied by such forward-looking statements. Such factors include, but are not limited to: general business, economic, competitive, political and social uncertainties; and the delay or failure to receive board, shareholder or regulatory approvals. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on the forward-looking statements and information contained in this news release. Except as required by law, the Company assumes no obligation to update the forward-looking statements of beliefs, opinions, projections, or other factors, should they change, except as required by law.
